

**To: The Colorado Department of Transportation**

I am the owner of real estate parcel number \_\_\_\_\_, located in the County of \_\_\_\_\_, Colorado.

The above parcel is partially or completely located in the three-mile wide corridor of the Prairie Falcon Parkway Express, a private toll road company, as evidenced by the notification letter I received from the Prairie Falcon Parkway Express Company.

It is my understanding the Colorado Department of Transportation has stated its position with respect to this project and the use of eminent domain, as follows:

*CDOT would only condemn the land to "finish the road." To be clear, the vast majority of land necessary would have to be purchased voluntarily before CDOT would consider condemnation to "finish the road."*

**I have no intention of selling my land to the Prairie Falcon Parkway Express Company.**

Furthermore, I urge the Colorado Department of Transportation to not enter a public-private partnership with any entity related to this toll road project.

Respectfully,
